WE WILL

Mobilise the Christian Community to respond

To children and young people in this country who need support

Strengthen family/whānau

So they can nurture and care for their children and young people successfully

Recruit, train, release and support

Christian staff, foster parents, mentors, prayer partners, sponsors and volunteers so the work is done

Partner with Christian Churches & Organisations

With similar vision to provide a caring Christian community

Achieve cultural relevance

In our services through our commitment to journey together and celebrate cultural diversity

Play our part

In the development of disability and care & protection services

Bring professionalism and passion

Together to effectively assist family/whānau, build community and glorify God
